## Select Medication List

Updated August 2010

This guide lists the most common Preferred medications. Generally, generic medications are the least expensive option. For a complete listing of Preferred medications, visit the HealthChoice website at [www.healthchoiceok.com](http://www.healthchoiceok.com) or [www.sib.ok.gov](http://www.sib.ok.gov) and click on the link to the HealthChoice Select Medication List or call Medco Member Services toll-free at 1-800-903-8113. Please note that some of the medications on the list require prior authorization.
